Editorial Policy
The NTT Communications Group is committed to creating new value for society and addressing social issues. We have compiled the “NTT Communications Group CSR Report 2018” as a tool for communicating the Group’s approach to our stakeholders and reporting our CSR initiatives. The expanded version provides a comprehensive report on the progress of our Priority Activities and information on our CSR activities together with in-depth data arranged by the Priority Areas of our Fundamental CSR Policy—Contributions to Society, Contributions to the Global Environment, Respect for Human Resources and Continuous Strengthening of Corporate Governance.

Scope of the Report
This report covers the activities of NTT Communications Corporation and its Group companies, unless otherwise indicated.

Period Covered
Fiscal 2017: April 1, 2017 to March 31, 2018
(Also contains information on activities conducted before or after this timeframe)

Issue Date Information
This report: October 2018
(Previous report: November 2017, next report scheduled for October 2019)

Referential Guidelines
GRI Sustainability Reporting Standards 2016
Ministry of the Environment “Environmental Reporting Guidelines 2012”
ISO 26000: 2010 Guidelines on Social Responsibility

Global Tier 1* Provider
As a World Leading Provider, We Intend to Provide the World’s Highest Level of Infrastructure

*Tier 1: An Internet service provider (ISP) that controls its own worldwide broadband IP backbone and is capable of ensuring the quality of its network without depending on an upper tier provider.

Global High-Speed Communications Network
- Between Japan and the United States: 2 Tbps
- Between Asia and Oceania: 5 Tbps

We provide direct connections to major service providers in Asia, Oceania, North America and Europe via the world’s largest high-speed, large-capacity broadband network of 1.4 Tbps between Asia and North America and 3.2 Tbps between Asia and Oceania. We maintain reliable communication environments and stable operations based on single autonomous system (AS) networks and Service Level Agreements (SLAs). (As of September 30, 2017)

Global Network Services
190+ Countries and Regions
We provide global network services that extend across 190 countries and regions worldwide. (As of March 31, 2018)

Global Data Center Service Offering the Highest Levels of Quality
20+ Countries and Regions
400,000 m²+ Server Room Space
We provide high-quality service under our globally consistent Nexcenter brand, which delivers on over 300 facility and operational standards. In addition to constructing our own data centers, we acquire shares of data center operators and form partnership agreements with local companies in order to rapidly expand our presence and develop our service in more than 20 countries and regions, primarily in the Americas, Europe and Asia, with server room space of over 40 m².

Global Workforce
22,050 people

ICT Total Solutions for Businesses
40+ Countries and Regions
110+ Locations
We have established bases in over 110 locations in more than 40 countries and regions, staffed by experts on the ICT environment of each place. (As of March 31, 2018)

Personal Services
7,521,000 OCN Members
With a history dating back 20 years, we provide the largest Internet connection service in Japan and promote society’s conversion to ICT. (As of March 31, 2018)
