About this Edition

As stakeholder expectations and requirements become increasingly diverse and complex, NTT Communications is consistently pursuing initiatives for sustainability. We will introduce readers to the series of future visions illustrated with concrete examples at the core of our stance to continuously provide solutions for social problems.

We present the future direction of NTT Communications and examples of solutions addressing social issues based on our Re-connect X medium-term business vision in the first half of the report, followed by the results of our priority activities in fiscal 2020.
