

Abolition of NTT Communications Guidelines for CSR in Supply Chain

May 2022

1 Abolition of NTT Communications Guidelines for CSR in Supply Chain

“NTT Communications Guidelines for CSR in Supply Chain” revised in July 2021 are abolished by establishing “NTT Communications Guidelines for Sustainability in Supply Chain” in May 2022.

2 Miscellaneous

After establishing “NTT Communications Guidelines for Sustainability in Supply Chain” in April 2022, except for those independently determined by NTT Communications, please refer to the ["NTT Docomo Green Procurement Standards"](#) provided in the “NTT Communications Guidelines for Sustainability in Supply Chain” for the outline of the NTT Communications environmental activities, matters and laws and regulations which suppliers should consider, refer to, and strive for, and evaluation items for products in procurement.

Please refer to [the NTT Communications Procurement Activities Website](#) for “NTT Communications Guidelines for Sustainability in Supply Chain”.
